MEMORANDUM FOR: Deputy Director for Administration
FROM : Deputy Director of Central Intelligence
SUBJECT : The Kampiles Case - A Request for a Security Review
and Assessment

1. It is obvious from the events of the past 48 hours regarding the Kampiles case that it is necessary to commence immediately a total and comprehensive review of all personnel security, physical security, and procedure security activities of this Agency. This review should focus on the policy basis of our entire security program as well as the procedures that flow from these policies. I would expect this review to lead to the most comprehensive recommendations seen to be necessary to preclude any such happening again in our future.

2. I hereby task you to initiate such a comprehensive security review giving it your highest priority and personal attention.

3. I will expect your first interim report, after scoping the problem, to be in my hands no later than 1 September 1978.
